# Camp It's Your Move: Following Jesus in an Obstacle Filled World

Welcome, campers! We are thrilled to have you join us for this summer's camp. Our theme this year is "It's Your Move: Following Jesus Changes the Game." Over the next few days, we will have a blast together as we explore what it means to follow Jesus and how it can transform our lives.

We will dive into four different aspects of following Jesus:

On day one, we'll learn about how Jesus is holy and how that changes everything for us. We'll look at the story of Peter following Jesus in Matthew 4:18-20 and Luke 5:1-11.

On day two, we'll explore how Jesus is forgiving, even when we sin. We'll look at the story of Peter denying Jesus and being restored in Luke 22:31-34, 54-62 and John 18:15-18, 21:1-19.

On day three, we'll see how Jesus is worth following, even when it gets tough. We'll study Peter's boldness in Acts 3:1-4:24.

Finally, on day four, we'll learn that Jesus is for everyone, including us. We'll examine Peter's conversation with Cornelius in Acts 10.

Throughout the camp, we'll also have small group discussions, interactive Bible lessons, and worship sessions where we'll sing and praise God together. We believe that this camp will be a transformative experience for everyone who comes, as we grow closer to each other and to God. So, get ready for an incredible few day of learning, growing, and having fun. We can't wait to see all that God has in store for us. Welcome to camp!
